## Tantra Foundations for Men - Scholarship Program

I want this program to be accessible to men who feel truly called to the journey, regardless of financial circumstance. To support this, I am offering a limited number of **scholarship spots** (discounted tuition) for *Tantra Foundations for Men* program.

### How It Works

- Scholarships are available for those who feel strongly aligned with the program but find the sliding scale pricing out of reach.
- The discount amount will be determined on a case-by-case basis, depending on individual needs and available spaces, up to a 50% discount.
- Recipients are expected to commit fully to the program, including attendance, participation, and offer feedback/testimonial at the completion of the program.

### How to Apply

1. Fill out the program application form [here](#).
2. Indicate that you are requesting scholarship consideration.
3. Share a short note on why you feel called to this program and how it could impact your life.

I will review applications personally and schedule a short 20 minute discovery call with each applicant to explore if the program is a fit and discuss options that sit well with both of us.

This is about **accessibility and alignment** — if you feel called to take the program, do not hesitate to reach out, I would love to hear from you.
